To YouTube Help Center - Report User Harassment

As a YouTube member and a representative of the Embassy of Poland in Israel, I would like to report, on behalf of the Ambassador of Poland, that the following videos violate the YouTube Community Guidelines encouraging hate speech – anti-Semitic content:

1. <http://www.youtube.com/watch?v=28C8g2t4hf0>
2. <http://www.youtube.com/watch?v=I1IJzJH9aYk>

The aforementioned videos show a Polish nationalist, Leszek Bubel, who explicitly promotes anti-Semitism and racism. The content of the videos demeans the Jews and calls for “getting Jews out of Poland”. I have already flagged the videos for your careful review and hope Bubel’s ideas will find no tolerance on YouTube, as it is the case in the Polish media.

I do respect freedom of speech, but not hate speech.

Sincerely,

Marek Skulimowski
Counsellor
